## ABOUT ME

**Frontend developer** with experience **1 yr+** in creating SPA using React, Redux, TypeScript. I have knowledge in user interface, testing, and debugging processes. I'm improving my skills in this direction and expanding them with new technologies such as Angular. I spend my leisure time riding educational books (like "You Don't Know JS") and improving my English. **Ready to consider project work and full-time employment offers.**

## EXPERIENCES

Sep 2022 - present

Part-time

### FRONTEND DEVELOPER - PROJECT WORK

Key responsibilities:
